

MYOB Payroll 2010

The smarter way to manage your payroll.

MYOB Payroll is payroll management software for New Zealand employers. Simplify pay runs, calculate PAYE deductions and manage your obligations under KiwiSaver.

If your business has staff, you probably spend more time than you would like looking after the payroll. With MYOB Payroll, you have an easy to use payroll solution that's suitable for any size business setup, giving you more time to concentrate on running your core business.

Manage employee payroll

Easily process weekly, fortnightly or monthly pay runs in just minutes and email pay slips to staff. Import timesheets to produce a pay run and preview employee pays before processing. Setup simple reporting to analyse payroll costs.

Calculate PAYE deductions

Work out exactly how much PAYE should be withheld from employees' wages.

Fulfil KiwiSaver obligations

Manage all your KiwiSaver requirements and make contributions electronically.
